

NEW

WEDNESDAY LINE UP — WITH MORE TRAINING WORKSHOPS — BY POPULAR DEMAND

The registration for the Intensive Training Workshops at **building a better world** the 2009 CIPIOPPI Conference, has been overwhelming with hundreds of delegates registered for the sessions. Most intensive training workshop sessions have sold out. In response, the conference committee, together with the generosity of the presenters, has expanded the line-up for your learning. Please see below for the revised schedule for the conference on Wednesday, September 30th:

8:00 a.m. to 5:00 p.m.

registration

9:00 a.m. to noon

morning-only intensive workshops

ITW3: Climate change breakthroughs: How to implement a local action plan

Workshop is Full, but will repeat in the afternoon.

ITW6: LEEDing neighbourhoods by design

Workshop is Full, but will repeat in the afternoon.

ITW8: Food and agriculture systems: New tools for an emerging planning area

Workshop is Full, but will repeat in the afternoon.

ITW10: Climate Change Primer: What you need to know

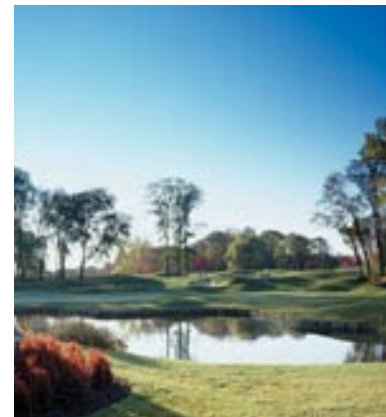

NEW workshop! Maximum: 50 registrants

Building on the successful Climate Change Symposium held by the Canadian Institute of Planners, this workshop provides training and tools for planners wanting to learn about climate change and its implications. You will leave this workshop with an understanding of what climate change means for planning practice, what information and tools are available to understand climate change in your community, and how to integrate climate change in your planning practice.

12:00 to 1:00 p.m.

lunch on your own!

9:00 a.m. to 4:00 p.m.

full-day options

SP1: Golf tournament

Space is still available.

Fee: \$100.00

A portion of the fee goes towards both institutes scholarship programs.
